The “SculptHER Collection, Telling Her Story Through Sculpture,” pays homage to acclaimed women who changed the world with their prodigious contributions in the fields of science, civil rights, human rights, journalism, archeology, astronomy, aviation, the arts, sports, education, and much more.

“After our ‘Where Are The Women, Shaping Women’s History Through Sculpture,’ initiative, we knew it was time to continue on with our series by sharing stories of more remarkable women whose accomplishments changed our world for the better,” says Paraskevi (Evi) Karpos, Project Coordinator for the SculptHer Collection, at Statues.Com. “So, in 2022, we have chosen 24 women who will be realized in sculptural 7-inch busts.”

Statues.Com will present one of these women in white and bronze bonded marble bust each month beginning this March, which marks Women’s History Month, and continue for another 23 months.

Their statues will be available for sale on Etsy.com and at the Statues.Com website.

“Each month we will unveil a bust in their likeness and speak to their unimaginable strengths, their bravery, determination, and unrelenting passions,” says Victoria Karpos, Vice President of

Statues.Com.
