Prestige Business Enterprises Acquires Tight Ship Bookkeeping

Prestige Business Enterprises, a full-service accounting and tax firm announces the acquisition of Tight Ship LLC, a bookkeeping and financial reporting firm.

TAMPA, FLORIDA, UNITED STATES, February 16, 2022 /EINPresswire.com/ -- Prestige Business Enterprises, a full-service accounting and tax firm has announced that they have acquired Tight Ship LLC, a bookkeeping and financial reporting firm. The acquisition will enhance Prestige Business Enterprises offerings and allow it to provide additional bookkeeping capabilities to its portfolio of clients.

The combined entity will offer a collection of specialties including tax, accounting, external CFO, business advisory, bank account reconciliation, accounts payable, cash flow modeling, bookkeeping, accounts receivable, payroll, and more.

Prestige Business Enterprises currently serves clients across central Florida and is actively working to expand its presence in the Tampa Bay, Orlando, and Sarasota markets. This acquisition is anticipated to be the first of many, helping the company to address the growing demand for its services. In addition to acquisitions, the company is also actively hiring accountants and financial professionals to address its current growth.

"We are thrilled to be merging with Prestige Business Enterprises," said Amanda Evans, Owner of Tight Ship, LLC. "This is an incredible opportunity to put our brilliant teams together to operate under one company."

"The CPA and advisor talent within Tight Ship and Prestige Business Enterprises is astounding," said Marta Skik Harich, CPA, CEO, and Founder of Prestige Business Enterprises. "This transaction will create top-quality care for our clients and expand our capabilities greatly."

Tight Ship, LLC, a Tampa Bay company, was founded in 2018 and has since experienced rapid and successful growth within their bookkeeping, business solutions, and budgeting services. Tight Ship, LLC brings attentive care to companies and provides a bookkeeping experience that allows clients to concentrate on their business growth and goals.

About Prestige Business Enterprises
Prestige Business Enterprises is a top Tampa Bay CPA firm that provides an array of business solutions including assurance, compliance, tax, accounting, and advisory services. We use a holistic and operational focus to look at your business as a living organism to make sure you are realizing the vision and goals you have in mind for you, your family, and your business. Our firm is idealistic with the idea that entrepreneurs have the vision and energy to manifest their dream idea into a functioning business; however, we find that fear and uncertainty of their financial position often prevents entrepreneurs from attaining the heights they envision. We address the taboo and uncomfortable questions that business owners at times avoid. By tackling these questions and fears in an environment where you have a team whose sole goal is to see you succeed, your vision has every chance of success. Simply put, we are NOT your traditional CPA firm.
