Corporate recruiters are seeking applicants for positions as interns, junior to seasoned employees, and mid-level managers. Fields of opportunities include accounting, finance, marketing, human resources, attorneys, business management, designers, banking, project and program managers, commercial real estate, sales personnel, software engineers, analysts, directors, management

trainees, and many more areas. No MBA degree is required and undergraduate to graduate school education in a wide range of interests is the norm. Travel and relocation options may be offered. The Metro NY Chapter of the National Black MBA Association's Virtual Career Fairs seasonal series was developed in 2020 to continue the connection of career opportunities for applicants to meet with corporate recruiters. As of today, fourteen companies will join our February 24th VCF. Corporate recruiters representing HSBC, Nasdaq, Estee Lauder Companies, FBI, Fitch Ratings, Teva Pharmaceuticals, ViacomCBS, US Bancorp, Morgan Stanley, Federal Reserve, Consolidated Brands, Moody's, Beam Suntory, Major League Soccer, and Price Waterhouse will be in attendance.
