

14 Leading Aero, Space & Defence Manufacturing companies awarded SIATI's Excellence in Indigenous Development award

14 Leading Indian Aero, Space and Defence companies awarded SIATI's Excellence in Indigenous Development Award, L&T Defence amongst the award recipients

BANGALORE, KARNATAKA, INDIA, February 17, 2022 /EINPresswire.com/ -- [Society of Indian Aerospace Technologies and Industries \(SIATI\)](#)

inaugurated the two-day mega event on 17th February 2022. The first day Event which included the 2 yearly SIATI Awards Ceremony was titled Aero, Space & Defence Vision 2030. SIATI Awards to Companies are unique because the selection is based on recommendations made by the Tier 1 Companies and vetted by a Committee drawn from reputed Industry & R&D organisations. The 2nd day Event being titled as India International Supply Chain Conference (2nd Edition) also encompasses a 2 day Exhibition to help the MSME sector to show case their products in the A&D sector for end users which includes the Armed Forces.

Society of Indian
Aerospace
Technologies and
Industries

“

We received about 70 nominations and our Selection Committee after much deliberations selected 14 Companies for this Award.”

Dr. CG Krishnadas Nair

The event started with the welcome address by Dr. CG Krishnadas Nair, President SIATI and Former Chairman HAL. The event was inaugurated by Dr. Ajay Kumar, Defense Secretary, Government of India. The keynote address was delivered by Shri. R. Madhavan, Chairman, HAL who emphasised the importance of Indian Aero, space and Defence sector. The felicitation address was delivered by Dr. K. Sivan, Immediate Past Chairman ISRO.

The inaugural speeches was followed by the SIATI Awards ceremony which has three categories:

1) Excellence in Development and Manufacture in the A & D sector

The key criteria being saving Foreign Exchange and enabling Self Reliance with recommendations mostly made by Tier 1 Industries for A & D Platforms. SIATI received about 70

applications for this category of awards, out of which 14 companies were awarded based on the above criteria. L&T Defence was one of the 14 Companies awarded for Excellence in Aero, Space and Defence sector . The awards in this category are in recognition for outstanding work in development and manufacture of components and/or systems resulting in considerable savings in Foreign Exchange and making India self-reliant (Atmanirbhar Bharat)
