“

The International Business Magazine Awards commemorate the best in the business globally and are widely acknowledged for their consistently high standards.”

Pragnesh Shah

International Business Magazine began its operations in 2018 with the prime objective of promoting innovation and

excellence in entrepreneurship. Every year, there emerges a company with an innovative service or a product that causes some disruption in its respective sector. The magazine constantly strives to bring the spotlight on these innovations and showcase them to the world. The award

ceremonies primarily aim to honor the innovators from several sectors, share their stories, and hopefully, inspire the next big innovation in the industry.

International Business Magazine Awards have been celebrated across the industries and are held in high regard by some of the top corporate giants, business honchos, key industry stakeholders, government bureaucrats, policymakers, leading SMEs, and emerging brands. The Awards commemorate the best and are widely acknowledged for their consistently high standards.

The nominations for 2022 will remain open till November 30 and the final award [winners](#) list will be announced on the website in the month of January 2023.
