

# VARStreet Announces Integration with Clover Payment Gateway

*Through this integration, every VARStreet reseller in the USA and Canada can now receive payments through the Clover payment gateway.*

“

We have had requests from a host of our US and Canadian resellers with respect to offering support for Clover to receive payments and we are delighted to make this option available”

*Shiv Agarwal, Director,  
VARStreet, Inc*

BURLINGTON, MA, USA, February 17, 2022

/EINPresswire.com/ -- VARStreet Inc. is a premier provider of enterprise software solutions for [IT and office supplies VARs](#) in the United States and Canada. VARStreet’s platform offers a product catalog with rich content from 45+ IT and office supplies distributors like S.P. Richards, Avnet, Ingram Micro, Tech Data, and more . Value-added resellers use the platform to create advanced sales quotes, launch their [B2B eCommerce store](#) along with free CRM and procurement solutions.

Clover is a leading payment gateway that assists the merchants to securely receive credit card payments

through their website. Resellers can make use of the Clover payment gateway if their store is based in the USA or Canada and is configured with USD or CAD currency.

Clover payment gateway will be available on VARStreet’s enterprise software solution as one of the payment gateways to process credit cards. Resellers quickly setup the ecommerce payment gateway by configuring the details on the backend and the same will reflect reflect on the B2B eCommerce stores of the value-added resellers.

In addition to Clover, VARStreet has successful integrations with various other payment gateways such as Stripe, PayTrace, Payroc, Pay360, Vantiv and more. Apart from this, VARStreet also has integrations with shipping carriers and software applications like MS Dynamics 365 CRM, NetSuite ERP, QuickBooks accounting, and more to ensure its customers manage their business better.

Shiv Agarwal, Director, VARStreet Inc. said, "We have had requests from a host of our US and Canadian resellers with respect to offering support for Clover to receive payments and we are

delighted to make this option available". He further added "Our integration with Clover is yet another way we support resellers collaborate with their customers in real-time for better service experience"

#### About VARStreet
