Key findings:

Major companies in the market are focused on mergers and acquisitions, in order to enhance the market presence. For instance, in February 2017, Trimble Inc., a U.S.-based software-as-a-service company, acquired Beena Vision, a U.S.-based manufacturer of automated vision-based wayside inspection systems, to expand its portfolio.

□ Key players in the market are focused on partnerships and collaborations, in order to obtain a competitive edge in the market. For instance, in June 2019, Emkay, Inc., a U.S.-based provider of fleet management solutions, partnered with Motorq Inc., a connected car data and analytics company, in order to let Emkay, Inc. expand its ability to provide data and actionable insights to customers.
