*The Houstonian Hotel unveils its new Legacy Lounge, a micro venue perfect for private receptions, after parties, group check in's and more.*

HOUSTON, TEXAS, UNITED STATES, February 17, 2022 /EINPresswire.com/ -- Renowned luxury Preferred Hotels & Resorts property The Houstonian Hotel, Club & Spa recently unveiled The Legacy Lounge as part of a guest-driven demand for smaller, more intimate celebration and corporate gathering spaces. Located on the fourth floor, the former Concierge Lounge has been transformed into three rooms where social guests may host private family celebrations, birthday parties and dinners, and corporate planners can plan private board meetings, satellite check in for groups, cocktail receptions, or dinners.

The largest of the three rooms, Legacy Lounge, is the entertainment centerpiece of the trio of renovated and expanded spaces.

“

These smaller, exclusive hospitality spaces are designed with luxurious details, comfortable and inviting furniture, and top-of-the-line amenities for an impressive occasion or corporate gathering.”

*Director of Catering & Conference Services Cindy Lee*

“Despite the changes in the hospitality industry over the past two years, The Houstonian has maintained a strong focus on what our guests want,” says Director of Catering & Conference Services Cindy Lee. “We want our guests to feel at home when they are here. These smaller and exclusive hospitality spaces are designed with luxurious details, comfortable and inviting furniture, and top-of-the-line amenities for a unique and impressive social occasion or corporate gathering.”

The Legacy Lounge, the largest of the three rooms, is the entertainment centerpiece of the trio of renovated and expanded spaces. It features a welcoming fireplace,

granite-topped cocktail and service bar areas, plush sofa and grouped seating, game tables, and

an 82" Ultra HD TV. The beautifully designed lounge is designed to welcome and invite guests to relax and spend time together. As a gathering spot for family or bridal party before a wedding, the rich décor provides settings for photographs and personal moments. The room's focal point is a large stone fireplace flanked by built-in bookcases with high-end game boards, books and fixtures, lending itself to a stately and comfortable atmosphere.

The State Room is a private dining or meeting room with adjustable wall-sconce lighting. Fully equipped with meeting capabilities and a 75" Ultra HD TV, the space offers ample seating for up to 24 guests, wooded views, and privacy door flow through to the Legacy Lounge and bar area. Perfect for corporate events or a pre-or post-event space, the State Room lends itself to any gathering for which privacy is important.

Wooded views, individual makeup vanities, and a plush settee for relaxation are just some of the amenities of the Pearl Suite, scheduled to open in early 2023 as the final piece to the guest-pleasing hospitality spaces. The suite is named as a tribute to First Lady Barbara Bush whose three-strand necklace of pearls captured her understated, beautiful, and classic style. Its boutique bridal dressing area and powder bath are just the right size for a bride and her wedding party to enjoy while getting glam for the big day. Guests will be able to order from a Pearl Suite Menu of tea sandwiches, scones, smoked salmon and other specialty items accompanied a Bloody Mary or Mimosa bar or Prosecco Pops, plus purchase Crystal champagne glasses engraved with the pearl-encircled suite logo.
