About MER:

Playing guitar and writing music since the age of 12, MER, also known as Edmer Abante, was born and raised in Chicago. Influenced initially by singer-songwriters like James Taylor and Simon & Garfunkel, MER found his emotional outlet through the musical storytelling of folk music. Later influenced by pop and rock legends such as Led Zeppelin, The Beatles, and Foo Fighters, MER developed a passion for high energy, live performances backed by the power of a full band. Having toured nationally, performing 2000+ shows from 2002 to 2014, MER built a Chicago brand around the Nashville-style singer-songwriter round-robin, which brought back the original influences of acoustic storytelling. "MER's Music Showcase" has featured over 300+ artists over the past decade with a home base in Chicago and select showcases in Seattle, Los Angeles, and Nashville.
