

Non-Operated WI and ORRI Opportunity in North Dakota, Montana, Wyoming, and Colorado

The assets provide the opportunity to acquire a significant oil-weighted production stream.

DENVER, CO, UNITED STATES, February 17, 2022 /EINPresswire.com/ -- [Eagle River Energy Advisors, LLC](#) has been [exclusively retained by Slawson Exploration Company, Inc.](#) ("Seller") to divest certain wellbore only, non-operated working interests and overriding royalty interests in North Dakota, Montana, Wyoming, and Colorado.

The assets provide the opportunity to acquire a significant oil-weighted production stream that [generated \\$11.4MM of LTM cash flow from ~1,000 BOE/D of net production](#). Additionally, this package is highly diversified by well count, well vintage, commodity and operator with locations spread across multiple counties in North Dakota, Montana, Wyoming and Colorado. Lastly, these assets exhibit both low lifting costs (~\$5/BOE) and high cash flow margins (~\$32/BOE) as well as provide the opportunity to participate in near-term upside in the form of 80 PDNP wells and 6 DUCs.

Slawson Exploration, Inc. has been a leader in the oil & gas industry for over 60 years and is one of the largest privately held exploration and production companies in the United States. The company helped pioneer development of the Bakken oil field in North Dakota and Montana and drilled its first horizontal Bakken well in 1989.

Bids for the opportunity with Slawson Exploration Company, Inc. referenced in this press release are due March 31, 2022 at 4 P.M. MT.
