

The NineHertz Emerges as Top IT Outsourcing Company India, Announced by Hindustan Times

Hindustan Times features The NineHertz as 'Best It Outsourcing Company In India'.

UNITED STATES, February 18, 2022 /EINPresswire.com/ -- Featured by the top magazines of India, Hindustan Times, The NineHertz is awarded as 'Best It Outsourcing Company In India' based on client reviews, achievements and strong company portfolio. With the advent of the twenty-first century, India has emerged as a global sourcing destination for IT-related functions and BPO. The Indian IT outsourcing business is driven by low costs, technological competency, access to a skilled personnel pool, and a supportive governmental framework. In terms of revenue," [IT outsourcing companies India](#)" was worth INR

5,649.47 billion in 2019 and is predicted to increase to INR 8,830.14 billion by 2025, with a CAGR of 7.25% between 2020 to 2025.

The Indian IT outsourcing market is segmented into IT services and packaged software. The IT services segment led the market in FY 2019, accounting for 89.70% of total revenue. Increased demand for infrastructure service and Cloud service outsourcing contributed to the large share of this segment.

If you want to build the best solutions for your business then finding the right IT consulting services can be very tricky. It is crucial to understand that you choose a tech partner that helps to boost your productivity and reduce development costs in the easiest possible ways, decreases the development time and provides cutting edge outsourcing services in the market. To help you select the best IT Consulting Services, Hindustan Times has come up with a [list of Outsourcing](#)

[Companies in India](#); and The NineHertz is listed as the top IT outsourcing company.
