

# "Lipstick and Rouge" Art Opening and Exhibition

*San Diego Based Ashton Gallery Hosts Regional Art Show*

SAN DIEGO , CA, UNITED STATES, February 23, 2022 /EINPresswire.com/ -- Art on 30th will host a "Lipstick and Rouge" themed art show and public reception on Saturday, March 19th from 11-4pm. The color inspired exhibition will feature 60 plus large and mid-sized original works of art that include the color RED and/or PINK as the focal point or primary color in the composition.

According to color philosophy, RED evokes a sense of urgency, daring and danger. The color physically stimulates the body, raising blood pressure and heart rate. It is associated with movement, excitement and passion. "The Lipstick Show" is an unabashedly fun, feminine, and slightly flirty theme that will transform the gallery into an energetic field of bold color," stated Kate Ashton, gallery owner and art world veteran. "Our shows also include a rare opportunity to meet artists in studio."
