

Lingerie Fighting Championships Returns To Las Vegas With LFC36

LFC36: Booty Camp 4 Goes Down Friday May 13

LAS VEGAS, NEVADA, USA, February 21, 2022 /EINPresswire.com/ -- [Lingerie Fighting Championships](https://www.lingeriefightingchampionships.com/), Inc. ("LFC") (OTC Pink:BOTY) announced today their next event will take place in Las Vegas on Friday May 13 at 7pm PT. LFC36: Booty Camp 4 will once again see some of the league's hottest prospects testing themselves against established veterans.

"Our Booty Camp events have become something our fans really look forward to," CEO Shaun Donnelly says. "It's a great mix of fan favorites from our main roster and up-and-coming rookies who have been putting in the work at our developmental camp."

Several prospects have gone on to become LFC regulars including Bella Ink and Tomiko 'The Temptress' Tajima from the original Booty Camp event (LFC26), Daisy 'Doomsday' Ducati and Shelby 'The Panther' Paris from LFC31: Booty Camp 2 and most recently Sheena 'The Hungarian Hurricane' Bathory, T'Bella 'The Rebel Princess' Madisyn and Bella Rockafella all of whom are expected to be on the LFC36 card.

"It's been exciting to see the progress our prospects have been making," Donnelly explains, "and several veterans have learned the hard way not to take them lightly."

The league has seen a sharp increase in the number of women who want to join and last year introduced a bracket style competition called LFC Madness where 32 prospects face off in a virtual contest with the two receiving the most votes fighting each other at a Booty Camp event.

It's a dream come true to
fight for LFC in America."

Ambra Pixie

LFC36 will see LFC Madness 3 finalists Bettie Brickhouse and Ambra Pixie square off in the opening bout. In addition to their purse, Brickhouse and Pixie will also receive \$1300 earrings courtesy league sponsor Boston Diamonds & Bling.

"It's a dream come true to fight for LFC in America," finalist Ambra Pixie of Italy says after outlasting 30 other prospects. "I can hardly wait to make my debut."

Pixie learned of Lingerie Fighting Championships when she stumbled on the league's popular YouTube channel and clicked on a sizzle reel with nearly 30 million views. In the past week alone, two more LFC videos have surpassed a million views bringing the total to 15. The channel has more than 300,000 subscribers.

"Fans on YouTube have been asking when the next Booty Camp event will be and I'm happy to have a date," Donnelly says.

Tickets will go on sale April 1. The pay-per-view will be live at www.LFCfights.com.

Forward Looking Statements

This release contains certain "forward-looking statements" relating to the business of the Company. These forward-looking statements are often identified by the use of forward-looking terminology such as "believes," "expects," "anticipates" or similar expressions. Such forward looking statements involve known and unknown risks and uncertainties that may cause actual results to be materially different from those described herein as anticipated, believed, estimated or expected. Investors should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of factors, including the Company's ability to deliver the content as described in this press release, to generate revenue from the agreement described in this press release and to enter into distribution agreements with cable and satellite systems with sufficient viewership to generate revenue from the program.

The public filings of LFC may be accessed at the SEC's Edgar system at www.sec.gov. Statements herein are as of the date of this press release and should not be relied upon as of any subsequent date. LFC cautions readers not to place reliance on such statements. Unless otherwise required by applicable law, LFC does not undertake, and LFC specifically disclaims any obligation, to update any forward-looking statements to reflect occurrences, developments, unanticipated events or circumstances after the date of such statement.
