

Simply Crafted CBD Launches New Site for CBD Subscriptions

The company is a leading supplier of hemp and hemp-derived cannabinoids.

MINNEAPOLIS, MINNESOTA, UNITED STATES, February 22, 2022

/EINPresswire.com/ -- [Simply Crafted CBD](#) is pleased to announce the launch of its stunning new site for consumer CBD subscriptions.

Simply Crafted CBD is a leading supplier of hemp and hemp-derived cannabinoids. The company provides an unparalleled selection of high CBD strains and rare cannabinoids, coupled with an easy shopping experience, free shipping, and exceptional customer service. Simply Crafted CBD was founded with one goal in mind – to provide high-quality, hemp-derived products to a market filled with ineffective and potentially unsafe CBD goods.

In its most recent news, Simply Crafted CBD has launched a brand-new website to support the company's latest efforts in offering [CBD subscription plans](#) for consumers. The plan offers customers a deep 30% discount on the cost of the company's CBD products when they subscribe to a product.

“Our passion for excellence has driven us from the beginning, and continues to drive us into the future,” says Amanda Stead, founder of Simply Crafted CBD. “We believe hemp flower, CBD, and other industrial hemp derived products should be sold responsibly and ethically,” Stead states. “That's why we rigorously test all of our flower and hemp products to ensure they're in full compliance with the 2018 Farm Bill. We also know that every product counts and, as such, we strive to make the entire shopping experience as rewarding as possible. This is why we felt the need to develop a CBD subscription plan for consumers, to help ensure they feel valued,

respected, and supported in their health journey.”

Simply Crafted CBD boasts a wide range of quality and compliant CBD products to meet the various needs of all consumers, including:

- Nighttime Extract
- Soft Gels
- Gummies
- Anti-Aging Serum
- Tinctures
- Distillate
- Salve
- Gummy Rings
- Aloe Lotion
- Syrup
- And much more!
