QVC, Amazon, & Christian Bookstores carry Award-Winning-Actress Jenn Gotzon's Divine Beauty Line on Biblical and Psychological Truths inspiring Beauty is Within

NEW YORK CITY, NY, USA, March 1, 2022

/EINPresswire.com/ -- [Jenn Gotzon](#) – an award-winning actress known in the faith-based market starring in two Oscar Nominated films - launches a never-seen-before five-part video bible study unlocking revelation on biblical beauty based on an acting technique and psychological research for a mental transformation.

"We created this 2-minute quizzer to discover how connected we are to our true beauty at <http://TrueBeauty.scoreapp.com/>," shares Gotzon.

The video study has brought great healing to teens and adults struggling with poor self-image. The education unlocks interactive revelation from the message inscribed in the jewelry, book, and message from the Amazon Best Selling Romance Movie, "[The Farmer and The Belle](#): Saving Santaland" as seen on [QVC](#).

Divine Beauty: Becoming Beautiful based on God's Truth is a 30-day devotional book by Hallmark's "When God Calls the Heart" co-author Michelle Cox and Jenn Gotzon. The video study follows each of the five sections in the book. Together, with the bracelet and heart locket necklace, the scriptures wrap God's truth about beauty around your neck and wrist.

"We want to provide a pathway to believe your body and soul are marvelously made by God. Being an overcomer of feeling insecure about your looks and obtaining a hands-on strategy to using the gifts God has given as a joyful giver are proven to radiate true beauty," explains

The fourth charm inscribed on the bracelet says "Obedient to my Calling" which inspires trusting God in the plans He has to prosper and not to harm is a topic Gotzon speaks internationally on.

The "Open my Heart" jewelry engraving comes from Focus on the Family psychologists, Greg and Erin Smalley, explaining the pathway to healing begins with having an open heart. This saying is engraved on the jewelry line selling on QVC's sterling silver locket necklace and the last charm on the adjustable Tiffany-inspired bracelet. The heart dangles into the hand's palm to grasp when feeling insecure or fearful. The back inscription says, "Dear Jesus, help me grasp how wide, high, long, and deep is for your love for me."

“

I use prayer, breathing and visualization techniques learned through my training as an actress to bring healing.”
