ABOUT:

ThoughtWorld:

The creators of ThoughtWorld ([thoughtworld.com](#)), designed an innovative online space where people can safely and anonymously share their thoughts, see what others think, and add real value to the public conversation. ThoughtWorld Founder and CEO Robert Ming created this breathtaking tool as a way to cut through the clutter found on most social media platforms. The goal is to encourage honest engagement and collaboration.

Sanford Cameron:

Sanford Cameron's career spans nearly 25 years of experience in market research B2B sales, marketing, strategy, product innovation, and leadership positions. His career includes building successful B2B sales organizations at companies such as YouGov, Decision Resources Group

(Manhattan Research), GlobalData, and Abt Bio-Pharma Solution.

Sanford is a seasoned leader with SaaS platforms, text mining, categorization, and visualization technologies. He has served in executive-level and leadership positions at several start-up ventures as well as privately held and publicly traded companies.

In the past two years and during the pandemic, Sanford has worked with seasoned sales professionals to integrate a new generation into the digital world. Sanford brings both passion and process to every organization in his portfolio.

Sanford talks about #bigdata, #socialmedia, #thoughtfulness, #alternativedata, #bigmedia, #agegap, #culture, and #freedomofspeech. He works to coach and nurture the new generation of sales.
