“

Seeing my dream of the brightest minds joining up to address race, gender, religious diversity, ethnic diversity, LGBTQ+, mental wellness and accessibility is a moment I can't describe adequately.”

Eve Mayer

Exceptional performance and explosive growth during the first 20 months of business have necessitated additional partners, promotions from within, and additional staff. This expansion is essential to best serve a growing list of reputable and caring clients.

“Seeing my dream of the brightest minds joining up to address race, gender, religious diversity, ethnic diversity, LGBTQ+, mental wellness and accessibility is a moment I can't describe adequately” says CEO Eve Mayer. “When we

replace the judgment of humans with curiosity and appreciation, kindness, productivity, and profitability win.”

The development of the organization will provide Diversity Crew with the resources necessary to deliver highly successful results to even more clients, while strengthening relationships with the current roster of organizations that have chosen to make diversity, equity, and inclusion a key part of their success.
