ABOUT MAPP TECHNOLOGIES

Powering a Brighter Future

Manufacturing critical components to OEM print specifications using specialized process capabilities — from raw materials through machining, welding, coating, assembly and final inspection — we deliver best-in-class value and quality and just-in-time delivery to our customers.

Just off the famous Route 66, MAPP is strategically located in the center of the county with East, West, North and

South access to transportation. We have been serving our customers since 1950 from two industrial sites totaling 100,000 square feet on a 9-acre campus. Luis Coreano joins other leading CEO's, founders, and thought leaders that have participated in this informative and popular interview show. In the interview with Andy Jacob, Luis Coreano discusses the newest offerings of MAPP Technologies, what makes the company different than other firms, and shares thoughts on leadership and entrepreneurship. Luis Coreano joins other leaders building strong and compelling companies that have been invited to participate in the exclusive series

Andy Jacob, CEO of DotCom Magazine says, "The interview with Luis Coreano was amazing. The success of MAPP Technologies is a true testament to their team and their people. It was a real honor to have Luis Coreano on the video series.

Andy Jacob says, "It's the goal of DotCom Magazine to provide the absolute best in what entrepreneurship has to offer. We have interviewed many of the world's leading entrepreneurs in their respective field. It takes amazing leadership to build a company like MAPP Technologies. There are so many powerful and talented entrepreneurs throughout the world, and I am extremely fortunate to interview the best of the best. I always come away humbled by how many talented people are building amazing companies. As we scout the world for interesting entrepreneurs and companies, it is always a wonderful experience to meet leaders like Luis Coreano who are forging an incredible path for others. At DotCom Magazine, we believe entrepreneurs are the heartbeat of the world. We believe it is a world where risk takers must be lauded, saluted, and respected.
