figure. She combines her earthy old-
school roots with a love of country,
pop, classic rock, and soulful blues.

Since early childhood, Stephanie knew
she was born to be a professional

Stephanie went on to create an EP and
performed two of her original songs on
the Grand Ole Opry, receiving a
standing ovation, which was featured
on NBC and TNN.

Noticed for her powerful voice and
ability to inspire others with her music,
Stephanie gained considerable
momentum and notoriety as a

success, she created her first self-titled
album, collaborating with producers
Michael Bland and Tommy Barbarella,
both members of "Prince and the New
Power Generation", and respectively
the best in the industry. Her CD sparked much interest within the Midwest and abroad.

Stephanie shares her musical talents on the National Anthem circuit. Traveling the Midwest and across the nation, she has had the honor to perform for the NFL, NBA, US Soccer, and MLB,
