

Nutrify Today Announces the C-Suite Summit

The Summit will enable nutraceutical companies to conduct business at a faster pace within the new ASINDOUS HIGHWAY

BANGALORE, INDIA, USA, February 23, 2022 /EINPresswire.com/ -- [Nutrify Today](#), the world's first AI-powered nutraceutical platform is scheduled to launch its first annual Nutrify [C-Suite Summit](#) on June 17, 2022, in Mumbai, India. The Summit will enable member countries within the nutraceutical, food tech, and pharma arenas to conduct business easier with other member countries who are part of the ASINDOUS (Asia-Indo-US) HIGHWAY, using enhanced and coordinated business practices and guidelines.

The event will bring together senior executives composed of buyers (P&G, GSK, AMWAY, and others), with sellers (Omniactive, Holista, Unilab, Polisano, and more), as well as government leaders from key ASEAN countries, India, and the U.S.

“

The main objective of this event is to create growth and investment opportunities for health and wellness, food tech, and pharma companies with an interest in nutraceuticals.”

Amit Srivastava

Amit Srivastava, Chief Catalyst for Nutrify Today and member of the Nutra Task Force, Office of PSA to the Government of India, said “The main objective of this event is to create growth and investment opportunities. The Summit will offer C-Suite executives from nutraceutical finished dosages, ingredients, food tech, and pharma companies with an interest in nutraceuticals, regulatory

lobbies, government, investors, pre-screen start-ups, and regulators of partnering countries with a chance to learn about new avenues for revenue generation.”

According to Srivastava, the Summit will include policymakers, and national and international leaders from the nutraceutical industry, academia, and research fraternity. The conference

Nutrify Today is the world's first idea to commercialization platform helping develop and generating business at 50% of the usual time.

discussions will help open doors for the transformation required to do a larger amount of nutraceutical business between ASINDOUS member countries.”
