

# STEREO DIVE FOUNDATION RELEASES LATEST ELECTRO x ACOUSTIC NOSTALGIC SINGLE "PIANISSIMO"

NOW RELEASED ON MUSC STREAMING GLOBALLY

LOS ANGELES, CA, UNITED STATES OF AMERICA, February 24, 2022 /EINPresswire.com/ -- Producer, Singer-Songwriter RYUON's project [STEREO DIVE FOUNDATION](#) had released its newest single "[Pianissimo](#)" on January 10th. "Pianissimo" is a sentimental and nostalgic track, where longtime fans should have been looking forward to hearing from SDF for a while.

RYUON of STEREO DIVE FOUNDATION

SDF sings the thoughts and feelings of frustrations of not being able to reach the idealism though you are working hard trying to pursue it. The lyrics emotionally reminds us that while you're looking back into the past, there's certainly a "small but weak melody (a Pianissimo)" that exists, being that it is the origin and a guide for the long way. The arrangement that combines SDF-like electro sound and acoustic guitars gives a glimpse of a part of SDF's ever-changing innovative music.

The song is not only for those who carry worries from losing sight of themselves or cannot achieve their ideals, but also for many people who have been separated from the world by the influence brought from the Covid pandemic and had the time to face themselves and

reconsider things. "Pianissimo" is a song that brings hopefulness, not only for SDF fans, but also for generations and over the borders.

"Pianissimo" is also the Official ending theme song of anime television series "Futsal Boys". "Pianissimo" is available to hear world-wide on all music streaming platforms including [Spotify](#).
