

QualityKiosk Technologies Releases its New and Transformed Logo

QualityKiosk Technologies is one of the world's largest Digital Quality Assurance partners

MUMBAI, MAHARASHTRA, INDIA, February 24, 2022 /EINPresswire.com/ -- QualityKiosk, the leading global [quality assurance](#) specialist, unveiled its new and improved logo on January 3rd across its digital platforms. The new logo is a pictorial representation of QK - the initials of QualityKiosk Technologies and sports a modern design synonymous with innovation and technology.

Speaking on the occasion, Mr. Maneesh Jhawar, CEO & Founder, QualityKiosk Technologies said, "The release of the logo marks the beginning of a new chapter for QualityKiosk as we set out on expanding our operations in the overseas market. The logo is inspired by one of our founding beliefs of perpetual innovation and reinvention. Its resemblance to the proportional symbolizes our promise of delivering best-in-class innovation despite the challenges and unknown involved in the equation. I am confident that with our beliefs, talented workforce, and commitment to deliver the best, the logo will become synonymous with excellence in the near future."

Headquartered in Mumbai, QualityKiosk has an extensive portfolio of quality assurance services, platforms, and products that are designed to support businesses at each stage of the software development lifecycle. Integrated with cutting-edge technologies such as artificial intelligence (AI) and machine learning (ML), the solutions allow companies to remain agile and stay at the forefront of the evolving digital landscape.
