*Sam Ferraino, President,  
UFCW Local 360*

As you know, the vast majority of UFCW Local 360 members work in essential industries. These everyday heroes have continued to show up and work, at real risk to themselves and their loved ones, throughout the pandemic so that their communities did not go without. They stood up and met the challenge, and they deserve a congressman who recognizes that all workers have the right to a safe and healthy work environment, and all employers have the duty to provide a safe workplace.

We believe you are that congressman.

With that in mind, it is our pleasure and privilege to endorse your campaign for the June 7th, 2022 Democratic primary in advance of the election for United States Congress in New Jersey's 2nd District. We wish you luck, and we look forward to supporting you through the November general election.

Please feel free to share the endorsement of the United Food and Commercial Workers Local 360 on your campaign website, campaign literature, press releases, social media or other means of communicating with voters.

We applaud you for your decision to seek public office at and look forward to working with you to strengthen New Jersey's Labor Unions.

In solidarity,

President Sam Ferraino
