embraces life with freshness, and skincare is an essential part of her day to day existence.

"I am truly honoured to join the Whitenicious brand. It's a brand with such great products that have a history of helping men and women all over the world get rid of unwanted hyperpigmentation safely. I have seen the miracle it has done to many peoples acne and dark spots; it's very impressive and something I have always loved. I am particularly proud to represent Whitenicious's unique vision to steer men and women away from using dangerous products with harmful chemicals. Whitenicious creates trustworthy American-made products with zero harmful chemicals. Most (Whitenicious) products are Fda certified, organic, and

perpetuate the idea that beauty should not be dictated but should instead be an expression of a woman's freedom to be herself and do what makes her and her skin happy and confident."

True to her African beauty and talent, the gorgeous Tanzanian brand ambassadress will help support our mission in and across the African market, which is geared towards all men and women. Hamisa's superstar status is a blooming rose; she is elegant and undeniably brilliant.

About Whitenicious: For more than ten years, Whitenicious has maintained its status as the world's leading luxury beauty brand in skin brightening/toning/acne treatment, which has
