Hosted by Award Winning Master of Ceremonies Paul Gamache, and moderated by NASDAQ columnist Naeem Aslam, the event will present itself as the perfect networking opportunity for brands and businesses with both potential B2B clients as well as a direct target audience making it the perfect platform to grow your business.

CryptoWorldCon, which will be held from April 1 to April 2, 2022, is a blockchain conference with engaging activities and speaker sessions designed to not only add to the widespread knowledge about cryptocurrency but also present countless opportunities and mentoring for the attendees.

CryptoWorldcon will include panel discussions, speaker sessions, workshops, a job fair for developers, a contest for startups to select by a jury of our keynote speakers the most innovative project in an early stage, and events that will help attendees learn more about cloud & enterprise computing, the role of blockchain in elections, the influence of blockchain industry in-state operations, the potential adaptation of cryptocurrency by major financial institutions of the world, and the benefits of blockchain for multinational firms and franchises.

The event will close on April 2, with an Exclusive Yacht dinner on the luxurious Sea Fair Yacht, overlooking miami, which will also include an exclusive award ceremony that will include the recognition of the selected Startup as the most innovative project to look for. As well as for the partnerships established during the event.

A game-changing experience, the entire event is going to be filled with activities that will further improve the knowledge and network experience of the Attendees. CryptoworldCon presents a careful selection of speakers designed to spice up the CWC discussion panels, making the entire event a very engaging interaction with a variety of value-added strategies, opportunities, and mentoring for the attendees.

If you are a startup looking for investors and strategic partners, this is the place to be! Joining “la crème de la crème” of preselected startups that are going to present their projects using storytelling, and audiovisual tools, participating in a very tough competition where only the best is going to be recognized and awarded in different categories.

Don't miss the opportunity to be present and participate in the most important Blockchain & cryptocurrency event of the year! Be part of the game change community that is creating a social and economic impact in the world.
