Shale Gas Global Market Report 2022 – Market Size, Trends, And Global Forecast 2022-2026

published by The Business Research Company, the [shale gas market](#) size is expected to grow from \$61.51 billion in 2021 to \$68.61 billion in 2022 at a compound annual growth rate (CAGR) of 11.5%. The growth in the market is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The shale gas market is expected to reach \$111.65 billion in 2026 at a CAGR of 12.9%. The rapid pace of advancements in the shale gas exploration and drilling technologies is boosting production volumes and reducing production costs and thereby contributing to the shale gas industry growth.

The global shale gas market consists of sales of shale gas by entities (organizations, sole traders and partnerships) that carry out the exploration, development and production of shale gas by using pumping technologies and systems. Shale gas is trapped within shale formations.

Global Shale Gas Market Trends

Modular production systems in the gas industry are becoming popular as it's cost effective, can extract gas within a short period and profitable than conventional methods. Modular system is an integrated field facility with prefabricated equipment, piping, instrumentation and others installed between the well and the pipeline for gas processing applications. This system helps in shortening the project timeline, providing cost-effective fabrication, better quality and improved safety.

[Global Shale Gas Market Segments](#)

The global shale gas market is segmented:

By Technology: Exploration and Drilling, Fracturing Fluid

By Well Type: Horizontal and Directional, Vertical

By Application: Power Generation, Industrial, Residential, Commercial, Transportation

By Geography: The global shale gas market is segmented into North America, South America, Asia-Pacific, Eastern Europe, Western Europe, Middle East and Africa.
