

# Mitsubishi Electric Power Products, Inc. Names New President

*Tricia Breeger has been named president of Mitsubishi Electric Power Products, Inc., effective April 1, 2022.*

WARRENDALE, PA, UNITED STATES, March 1, 2022 /EINPresswire.com/ -- [Mitsubishi Electric Power Products, Inc.](#), (MEPPI) today announced Tricia Breeger as its new president, effective April 1, 2022. Brian Heery, the current President and Chief Executive Officer, will remain the CEO and will also become the Chairman of the Board for the organization.

**MITSUBISHI  
ELECTRIC**

**MITSUBISHI ELECTRIC  
POWER PRODUCTS, INC.**

As President, Breeger will be responsible for leading the company's operating groups and the company's shared-services departments. She will position the organization to continuously create high value for its North American customers through solutions, products, and services with the historical quality of the Mitsubishi Electric brand.

From her past responsibilities in MEPPI, Tricia has gained a deep understanding of our customers and our operations, here and in Japan. We look forward to a new era of success under her leadership."

*Brian Heery, MEPPI  
President/CEO*

"Tricia is a long-time MEPPI manager who has excelled at leading successful businesses throughout her career. She brings a wealth of knowledge to her new role and a sincere commitment to better serve the needs of our customers," said Brian Heery. "From her past responsibilities in MEPPI, Tricia has gained a deep understanding of our customers and our operations, here and in Japan. We look forward to a new era of success under her leadership."

Breeger joined the company in 2000. During her over 20-year career at MEPPI, she became a leader in the electric power industry by serving as the General Manager of the company's Electrical Distribution Division. In 2018, she was promoted to General Manager of the Uninterruptible Power Supplies Division where she oversaw the day-to-day operations and expanded the division's market share in the critical power industry. In 2020, she was promoted

to Vice-President, participating in the company's long-term strategic planning with a focus on expanding technology-driven solutions.

###
