

# Introducing the Incredible Benro Tablepod Flex

*A modular tabletop carbon fiber tripod with a hidden set of bendable, flexible legs. Stand it or wrap it to capture images & content from virtually anywhere.*

NORTH WHITE PLAINS, NEW YORK, USA, March 1, 2022 /EINPresswire.com/ -- [The TablePod Flex](#) is a flexible, bendable tripod with professional features and compatible with Arca-Swiss style gear.

## Transform to Almost Any Configuration

“

“This is a new and exciting development for Benro and we are trying something different. There are a myriad of possibilities with the new flex legs.”

*Brian Hynes, Brand Manger,  
Benro*

Featuring robust Carbon Fiber exterior leg construction, with hidden flexible legs inside, this tabletop tripod can transform to almost any configuration. These flexible legs offer security and stability on whatever surface or object to mount it to. Use the ¼"-20 threads to combine the flex legs with the carbon fiber legs to create unique configurations or connect them together for a quick selfie stick or live stream stand.

## Pocket-Sized for Travel

Folding up to pocket size, this kit is perfect for

photography, content creation, live streaming, virtual meetings, and much more. With three individual adjustable leg settings, shoot in tight spots, or capture low angles with ease. Simply press the side button on the leg, adjust, and shoot!

Perfect for Creating Content with a Smartphone or Small Mirrorless Camera.

The TablePod Flex Kit includes an arca-swiss compatible plate and an adjustable phone holder with cold shoe mount that fits most smartphones.

## Unrivaled Versatility

There are two built-in 90° notches for quickly switching from Landscape to Portrait orientations. Two ¼"-20 mounts allow one to attach additional accessories or connect the flex legs. The rubber feet provide stability on whatever surface one is shooting. With the built-in ballhead, level a shot with ease. The head also features 360° pan rotation with built-in pan scale, and an Arca-Swiss compatible plate with 3-way screw for easy mounting.

## Features & Benefits

- Flexible and bendable leg design for attaching to almost anything.
- Unique camera placement. Place the camera or smartphone in locations where tripods won't fit.
- Arca-Swiss style camera plate/head. A professional array of features and compatible with other favorite camera gear.
- Pocket sized for travel. Folds up nice and tiny for traveling.
- Upgradeable legs - Additional legs sections can be purchased separately for maximum versatility.

## What's in the Kit?

The TablePod Flex kit includes an arca-swiss compatible plate, an adjustable phone holder with cold shoe mount that fits most smartphones. Included with the kit are 3 flex legs, a set of 3 feet, and a case and carabiner for attaching to a backpack or camera bag. Also included is an auxiliary locking ring, which prevents stress on the legs and increases its lifespan.
