large door motorized screen

A large motorized screen should not be mere eye candy on the property. It is an outdoor space where family, and friends can spend time and create wonderful memories that will cherish in years to come. Combined with over 25 years of industry experience, Bravo Screens have redesigned Large [Motorized Retractable Screens](#) using the highest quality materials and components to create a product second to none.

Large Motorized Retractable Screens glide smoothly and smartly providing breezy cross-ventilation and expanding the space.

When not in use, it glides away into a slim, self-protective casing. The large screens are perfect for the patios, lanais, decks, sun porches, sliding patio doors, and so much more. We offer a wide selection of colours, styles, screen textures, and UV filtering. Thanks to a refined and tried-and-tested process, that can have the largest outdoor structures finally enclosed. We do all of our own work, design and construction. We also have a full remodelling/custom home building division.

Our Mission: to exceed our customers expectations so they can truly enjoy their home's outdoor environment. At Bravo Screens we use only the highest quality materials on our projects, and the Large Motorized Retractable Screen Line fits our mandate. The large motorized screens are sturdy and built from quality materials, and run exceptionally smooth.

Our passion: "To custom design a beautiful structure that will enjoy for years"
