I hope you enjoy my best music yet!"

John Schneider

Produced by Cody McCarver, John Schneider and Alicia Allain, the album features 11 new songs recorded at Ocean

Way Studios and Benchmark Studios in Nashville, Tennessee. Sawyer Brown guitarist Shayne Hill mixed and engineered the album.

"It's always an honor to get to work with a legend like John Schneider," says McCarver, who wrote on 5 songs on the album. "But more of an honor to work with my friend. Not to sound arrogant, but as a producer, writer and singer on this project, I could not be prouder with the way it turned out."

Adds Schneider, "It may sound funny but even though I'm from New York, I've always been a fan of all things southern. Southern music, southern cooking, southern hospitality. So I guess you could say I've always been about my Southern Ways! I hope you enjoy my best music yet!"
