#### About Compass Cares

Compass Cares was established out of a need to help patients and families traveling for medical reasons. We do this EVERY DAY and in EVERY WAY by providing comfortable accommodations convenient to hospitals, raising funds for Boston Children's Hospital, sponsoring events, and securing in-kind donations for Compass Cares residents. For the last three years, the Compass

Cares donation program supported Boston Children's Hospital, where over \$100,000 has been donated to the Room to Heal fund which benefits the Hale Family Center for Patients and Families. The Compass Cares apartment program offers patients and families a quiet place to rest and heal during some of the most stressful and challenging times of their lives. Simple things like in-unit laundry, a hot shower, and a full kitchen offer the comforts of home when it is needed most. Participating Partners have amplified the program, providing comfort, love, and healing through their thoughtful donations. "Together, we do more good".
