HairDirect, a leading hair system supplier, announced they were shutting down last month. This left many customers in search of alternatives not only for hair systems, but hair system supplies as well.

Among the leading hair system suppliers, Superhairpieces is one of the few located in North America that offers 100% human hair systems in addition to supplies ranging from adhesives, tapes, solvents, scalp protectors and more.

These include conditioners, shampoos, adhesives, adhesive solvents/removers, sprays and much more from brands like [Vapon](#), Beautimark, [Remysoft](#), Therapy-G, Back2Natural, PPI, Pro Gen and

Brandywine among others.

"We've decided to take the steps to expand our offerings to fulfill all of our clients' needs, whether they are retail or salon," said customer success professional Philip Hazan.
