WILMINGTON, DE, UNITED STATES, March 3, 2022 /EINPresswire.com/ -- Cyborgmedia LLC, is pleased to announce that [Jean Fallacara](#) has been ranked in the top 10 Biohacking Influencers by [Hype Auditor](#)

[@Cyborggainz](#) on Instagram with more than 280,000 active Followers is the page for Jean where he uses his knowledge of neuroplasticity, science, biohacking, and cognitive functions to explain his audience how to incorporate functional neuroscience into sports and fitness in order to redefine workouts and enhance the performance of body and brain.

“Life is all about pushing forward, trying the hardest, and not giving up. It’s time to focus science on physical wellbeing by a biohacking approach to fitness” Jean Fallacara

Upgrading physical performance is just not enough; mental performance is as important too.

“

Upgrading physical performance is just not enough; mental performance is as important too”

*Jean Fallacara*

Biohacks, performance, body clock, cell aging, and human optimization by using brain, body, nature, neuroplasticity, and science this is what the Instagram page is all about.

There’s a driving force behind everybody; we just have to learn how to tap into it to our benefit. All we need to do is use the power of neuroscience, sleep, nature, nutrition, and willpower to achieve that which seems unachievable and too far-fetched.
