OKLAHOMA CITY, OKLAHOMA , USA, April 22, 2022 /EINPresswire.com/ -- The Oklahoma Mesothelioma Victims Center says, "We are urging the wife or adult children of a former plumber or skilled trades worker with recently diagnosed mesothelioma anywhere in Oklahoma to please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 for a no obligation compensation analysis along with specifics of how to increase the value of the claim. Erik Karst is one of the nation's leading mesothelioma attorneys and he has been assisting plumbers with this rare cancer for two decades.

"A plumber with mesothelioma could have had exposure to asbestos on a daily basis-especially before 1982.
