

The Governor's Race is On for Deirdre Gilbert

Deirdre Gilbert is reminding the Texas voters there's more to choose from than just a two-party system.

HIGHLANDS RANCH, COLORADO, UNITED STATES, March 3, 2022 /EINPresswire.com/ -- In the race for the next governor of Texas, gubernatorial challenger, Deirdre Gilbert is reminding the Texas voters there's more to choose from than just a two-party system. Though Gilbert was first to file and enter this race, most media outlets and pundits have ignored her. "I'm so excited to serve but I'm competing against a two-party system that the founding fathers warned would be dreaded as the greatest political evil under the Constitution," said Gilbert.

George Washington in his farewell presidential speech stated that "the alternate domination of one faction over another, sharpened by the spirit of revenge, natural to party dissension, which in different ages and countries has perpetrated the most horrid enormities, is itself a frightful despotism. He goes on to say that "the disorders and miseries, which result, gradually incline the minds of men to seek security and repose in the absolute power of an individual; and sooner or later the chief of some prevailing faction, more able or more fortunate than his competitors, turns this disposition to the purposes of his own elevation, on the ruins of Public Liberty."

"We are now seeing agitated communities that do nothing but in-flame animosity of one part against another," says Deirdre Gilbert. We are in constant danger from a corrupt system that demands nothing more than our liberties. In this election in November, we must grasp the seriousness of a divided state and choose to put people in place that will fight for the sanctity of democracy, true democracy.

Gilbert adds that she faces some barriers of the known and unknown, but she intends to stand up for what is right. She knows that the foundation of the state cannot stand any longer on the muddy grounds of corruption and ill-gotten gains and must be replaced with a solid foundation, her being elected as the next Governor of Texas.

About Deirdre Gilbert
