

Tippy and the Runaway Cloud

The Search and Quest of Tippy to Find Puffy Cloud

TUCSON, ARIZONA, UNITED STATES,
March 5, 2022 /EINPresswire.com/ --

Theodora Klein published her illustration book titled Tippy and the Runaway Cloud. This story is about Tippy's quest to find Puffy Cloud. The corn plants are drooping, and they need Puffy Cloud to water them. Join Tippy and Misty, his loyal cloud pony, to help find Puffy Cloud.

"Having the story of Tippy grace the nightstand of little ones in their bedrooms, Tippy and the Runaway Cloud will add a new, creative and imaginative friend to the bedtime story characters children grow up dreaming. As the foundation is set for sequels, I hope to read new adventures of

Tippy and how he cleverly solves other situations in the future." — Beth Adams, Hollywood

Book
Reviews.

“

They are not sad, Tippy, they are drooping. They have not had any water for days because Puffy Cloud ran away! Conductor Dusty said.”

Excerpt from Tippy and the Runaway Cloud by Theodora Klein

“At some point in school, children usually learn about the water cycle and how important rain is to our Earth. In this story, Tippy, the raindrop, uses his problem-solving skills to bring rain to the crops. Tippy shows determination in his quest to find Puffy the Cloud. Tippy and Puffy illustrate cooperation and friendship as they solve the problems of returning to the field to provide the crops with the water/rain they need. This story could initiate a

discussion with your child about the water cycle and its importance. You could also use the story to show how perseverance, friendship, and determination are important life-long skills.” — Amazon customer review.

Theodora Klein was born in North Dakota and enjoyed being raised on her family’s farm. She completed her high school in North Dakota. Later, she graduated from the University of Tampa, Florida with a degree in business management.

Theodora presently resides in Tampa, Florida and has an adoration for children and animals. Theodora has always aspired to channel her creativity into early childhood education and entertainment.
