SAVA Healthcare launches SAVA Herbals (www.savaherbals.com), its herbal formulations business in India

PUNE, INDIA, March 5, 2022 /EINPresswire.com/ -- [SAVA Healthcare](#) Limited, a Pune headquartered Indian multinational and one of the fastest-growing pharmaceutical companies launched its herbal OTC formulations business under the name of [SAVA Herbals](#).

SAVA Healthcare Limited has a strong footprint globally as well as in India with its human and veterinary pharmaceuticals. SAVA Herbals is an extension of the capabilities that we have built over the years in manufacturing herbal extracts of highest purity. The products that are being launched by SAVA Herbals have been developed in-house and tested for clinical efficacy and safety in patients, which is very significant. Each of the herbal ingredients has been carefully chosen for its health benefit. The formulations have been developed in partnership with Gurusolv Naturals Inc.USA.

"Consumers are preferring alternative medicine in order to avoid undesired side effects of allopathic options. Ayurvedic traditions are part of our very existence in Indians. From Curcumin to Ginger, many important herbs form the basic essence of our cuisines. There is considerable growth potential in the herbal OTC market too due to Government of India's strong thrust through Ayush Ministry", adds Dinesh Kapoor, CEO of SAVA Healthcare.

Vinod Ramchandra Jadhav, Chairman, SAVA Healthcare Ltd said, "The company has a state-of-the-art USFDA inspected manufacturing facility located in Malur, Karnataka and it is here that the unique blends of herbal ingredients for the herbal brands are manufactured. Through SAVA Herbals, we aim to bring together the power of Ayurveda and the path-breaking advanced phytotechnology to promote a healthier lifestyle."

In recent years, there has been considerable shift towards safer and reliable options for treating or managing various disease conditions and consumers have become extremely conscious about their health, more so after the Covid-19 pandemic situation. Keeping this in view, SAVA Herbals offers a range of herbal solutions for general well-being and disease conditions.

Actisheeld for enhancing immunity, [Gudslep](#) for treating sleep disorder and Lo-wt for weight management are already available through online major e-commerce platforms like Amazon, Flipkart, 1mg as well as www.savaherbals.com. Livstar for liver health, Maxper for enhancement of sperm count & motility and Mussk for erectile dysfunction will be launched in the India market in March 2022. Over the next 2 years, SAVA Herbals plans to add safer and effective options in categories hypertension, diabetes.
