therapies into one comprehensive program, and integrating highly trained, compassionate staff, Lighthouse Autism Center offers families the most effective approach to autism treatment available.

“We are so excited about the opening of our new center in Kalamazoo on Gull Road in early summer! With the addition of this new center, it will allow us to serve 18 more clients in the area! This will be our second location in Kalamazoo and will feature beautifully curated spaces that support natural and play-based learning as well as an outdoor play area!” said Natalie Lovejoy, Regional Director of Lighthouse Autism Center.

The Kalamazoo East center is slated to open in early summer of this year. The facility will provide autism services to 28 children and their families and create over 25 new jobs in the area.
