ALEXANDRIA, VA, USA, March 7, 2022 /EINPresswire.com/ -- [Spring Garden Market at River Farm April 8 & 9 at River Farm, 10am - 4:00pm](#)

Celebrate the start of the new gardening season with the [American Horticultural Society \(AHS\) at its Spring Garden Market](#) at historic River Farm in Alexandria, Virginia, taking place on Friday, April 8, and Saturday, April 9.

We anticipate over 40 vendors will offer a large selection of plants, including vegetable seedlings, natives, and pollinator favorites. Garden art, tools, books, and other horticultural accessories will be available, and Master Gardeners will be on hand to answer gardening questions. "This is a great opportunity to support local growers and shop for some terrific plants you won't find other places," says Susan Klejst, Vice President of Development. [More than just plants, the Spring Garden Market includes an array](#) of nature-themed artists and garden products vendors. It is a fun-filled community event but also an important fundraiser to help sustain and support the stewardship of historic River Farm. All proceeds raised during this event help maintain and enhance the display gardens for the enjoyment and enrichment of the community.

Guests will have access to a limited selection of carts and wagons for toting purchases but are encouraged to bring their own. Hours will be from 10 am to 4 pm on both days of this event. Parking is \$20 per car; waived for AHS members showing a current membership card or other proof of membership such as an online receipt. Non-members can apply this fee toward a new membership during the event. To join, visit www.ahsgardening.org/join.
