

# Regen Suppliers Now Offering Special Package on ReBella Microneedling Pen

*Regen Suppliers has introduced the ReBella Pen microneedling system, which is a cost effective product for aesthetic procedures.*

SCOTTSDALE, ARIZONA, USA, March 7, 2022 /EINPresswire.com/ -- Regen Suppliers has introduced the ReBella Pen microneedling system, which is a cost effective product for aesthetic procedures. The pen is lightweight, reliable and full of features that are making it a hit with providers offering cosmetic procedures.

The ReBella Pen operates both wired and wirelessly, and comes with two batteries which work for hours at a time. One battery can be charging while the other one is in use. There are six microneedling speeds available for use (up to 18,000rpm), and infinitely variable needle depth from 0mm to 2.5mm.

While the ReBella Pen is extremely reliable and the best microneedling pen available, we want clients to know that if a problem should ever occur, a new device will be shipped overnight."

Amazingly, Regen Suppliers offers a 12 month overnight replacement guarantee if a problem occurs. According to Regen Suppliers CEO David Greene, MD, PhD, MBA, "While the ReBella Pen is extremely reliable and the [best microneedling pen](#) available, we want clients to know that if a problem should ever occur, we're here! A new device will be shipped overnight to ensure no down time from patient care."

The inexpensive cartridges available for the ReBella Pen are sterile for single use. They have sixteen stainless steel

needles, which are excellent for the vast majority of procedures.
