

SMi Group Calling for sponsors at Defence Aviation Safety 2022

SMi Group reports: Showcase your company to over 150 senior experts in the military and government within the Defence Aviation sector

LONDON, NON UNITED STATES OR CANADA, UNITED KINGDOM, March 8, 2022 /EINPresswire.com/ -- Do you operate in Defence Aviation? Do you want to showcase your company to over 150 senior experts in the military and government?

If the answer is yes, we invite you to submit your company to be part of our esteemed line-up of sponsors at this year's [Defence Aviation Safety](#) Conference taking place in London, UK on the 20th and 21st of April 2022.

Defence Aviation Safety offers a unique opportunity for leaders and experts to meet and share best practices that will save lives and protect capability. The event will host over 150 senior experts from the UK and from the leading international Defence Aviation community.

Interested parties can submit their company at: <http://www.defenceaviationsafety.com/PR3EIN>

Benefits of sponsoring Include:

- Generate brand awareness through pre-event marketing, collateral & dedicated conference website
- Discover, explore and seize new business opportunities as you network with new and existing clients within the Defence Aviation industry
- Educate the Defence Aviation market on your company's latest products, projects, partnerships and success stories
- Meet and connect with prospective clients
- Showcase New Products & Services
- Boost Brand Visibility

The banner features a dark purple header with the text "SMi's 3rd Annual" and the SMi logo. Below this, the title "Defence Aviation Safety Conference" is prominently displayed. A central graphic shows a globe with images of various aircraft. To the right, a dark purple box contains the dates "20 - 21 April 2022" and the location "London, UK", along with the text "Supported by The Defence Safety Authority UK MOD". At the bottom, a dark purple bar contains the website "www.defenceaviationsafety.com" and the hashtag "#SMiDefAviation".

Sponsors already confirmed at this year's event include:

Robin Radar Systems - Robin Radar System is a technology leader in tracking and classification of small objects. Their mission is to provide actionable information that increases safety and security for both humans and birds.

tImNexus - tImNexus has supplied digital services to the UK MoD for more than 15 years. Originally designed to provide an innovative way of managing the efficiency, quality and safety of the Royal Air Force's Typhoon fleet, the company's Resolve software has now been adopted by the majority of the aircraft types operating in the UK defence environment

BAE Systems - At BAE Systems, we help our customers to stay a step ahead when protecting people and national security, critical infrastructure and vital information. We provide some of the world's most advanced, technology-led defence, aerospace and security solutions and employ a skilled workforce of more than 83,000 people in more than 40 countries.
