Lullaby for Our Daughters may well be added to the list of great songs for peace.

In the tradition of the Beatles "Revolution" John Lennon's "Imagine" and "Give Peace a Chance"

"When singing "Lullaby for Our Daughters" over two years ago now. I imagined, a first-time father or parent walking the room, and singing their daughter off to sleep. And how his, and our hopes and dreams and worries for that child, our children, all children, gives all of our lives greater meaning and purpose for a better future. I congratulate Mike Garson and Nnenna Freelon for giving the world a beautiful song which is also a wonderful prayer for a more hopeful and peaceful tomorrow." – Michael Tinholme

Some songs can crystalize what is most important to all of us.

Michael Tinholme's story is the stuff dreams are made of, or legends. It's the stuff that happens in movies.
