## ABOUT Earthview

Earthview, LLC was founded in August 2019 with the goal of developing a rugged, accurate and flexible network of field-ready air quality sensors using the internet of things (IoT) approach for applications in a range of industries where real time monitoring of atmospheric conditions is of concern. This improves on current methods for surveying oil and gas infrastructure for natural gas leaks, and the inefficiencies and limitations associated with these methods.

Bear Givhan joins other leading CEO's, founders, and thought leaders that have participated in this informative and popular interview show. In the interview with Andy Jacob, Bear Givhan discusses the newest offerings of Earthview, what makes the company different than other firms,

and shares thoughts on leadership and entrepreneurship. Bear Givhan joins other leaders building strong and compelling companies that have been invited to participate in the exclusive series

Andy Jacob, CEO of DotCom Magazine says, "The interview with Bear Givhan was amazing. The success of Earthview is a true testament to their team and their people. It was a real honor to have Bear Givhan on the video series.

Andy Jacob says, "It's the goal of DotCom Magazine to provide the absolute best in what entrepreneurship has to offer. We have interviewed many of the world's leading entrepreneurs in their respective field. It takes amazing leadership to build a company like Earthview. There are so many powerful and talented entrepreneurs throughout the world, and I am extremely fortunate to interview the best of the best. I always come away humbled by how many talented people are building amazing companies. As we scout the world for interesting entrepreneurs and companies, it is always a wonderful experience to meet leaders like Bear Givhan who are forging an incredible path for others. At DotCom Magazine, we believe entrepreneurs are the heartbeat of the world. We believe it is a world where risk takers must be lauded, saluted, and respected. Successful entrepreneurs get up every morning and give an amazing effort. We salute the business leaders of this world like Bear Givhan".
