“

Despite man's inability to fulfill God's commands, God nevertheless desires a deep relationship with humanity.”

*Pr. Andrew Choi*

This seven-chapter book shares a message of hope and redemption, telling us that from the moment human beings fell into sin, God had already planned to send His son, Jesus Christ, through the human seed, Mary. The ultimate sacrifice made by God to rescue humanity from sin and restore our connection with Him was Jesus.

Despite man's inability to fulfill God's commands, God nevertheless desires a deep relationship with humanity. As a result, He gave the solution, and the only way to obtain it is via His son, Jesus Christ. So, what are we supposed to do now? What are we supposed to do if Jesus is the means to make things right with God? Simply believe and accept His son as the world's Messiah, and live according to the principles he has taught us. This

word of hope beams brightly in the night sky, just as it did on the night of Jesus' birth in Bethlehem.

Andrew Choi wrote "Messiah, Jesus Christ Gives Us the New Hope: Evil Bruises Us, but Christ Gives Us the Restoration and Victory", which will be the focus of his presentation at this year's book fair event.
