Bare Body Freedom Reality TV

“

It is not only when we die that we are with the great spirit, it is also when we are naked on the land or at sea!"

*Ton Dou*

Its seven channels of series and episodes include Music Au Naturel, Dance Au Naturel, Fitness Au Naturel, Situational Nakedness, Naked Crime Scene, Code Bare, and the Bare Body Freedom, because ... journey, book and documentary. - NOTES: Bare Body Freedom Reality TV is the perfect name for this network of programs because bare body freedom is prevalent in all of the series and

episodes, but it is also perfectly deceiving if it misleads people to expect to see end-to-end public nudity and wall-to-wall naked people to prove its point to no avail! Bare Body Freedom is not

entirely about being completely bare, it is primarily about people having the freedom to be who they are, what they are and where they are at-will as they go harmlessly, respectfully, and responsibly about their business, up to and including being completely bare, without any issues!

QUOTES: "It is not only when we die that we are with the Great Spirit, it is also when we are naked on the land or at sea." Ton Dou "Bare Body Freedom is as natural and significant a human right and life choice as any other and should never be legislated as criminal behavior." Ton Dou "The responsible at will practice of wholesome nakedness in the light of day for the world to see, is precisely what the world needs to see." Ton Dou

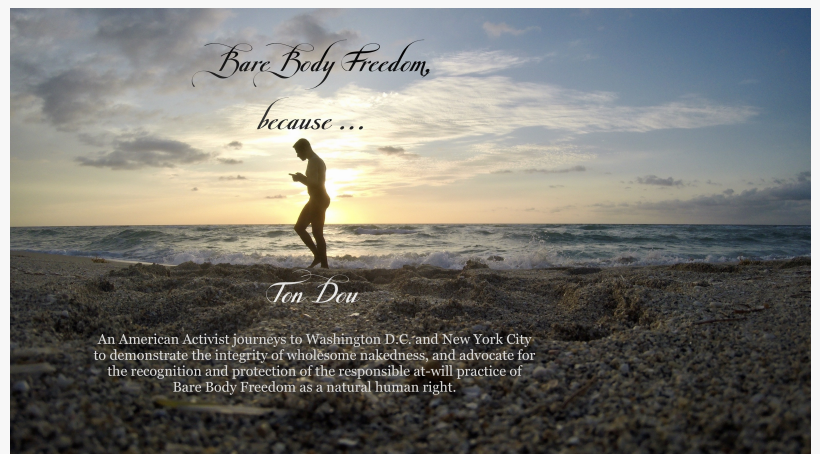

Ton Dou Live \* Performance Premiere, City-Scape Figure-Painting \* Ton Dou Au Naturel , and United States Capitol \* Bare Body Freedom Demonstration are among the previously held public integrity demonstrations produced to promote the cause.
