

# 2logical awarded Top 20 Global Leadership Training Company – Training Industry

*For the third consecutive year, 2logical named world's best leadership training company*

ROCHESTER, NY, UNITED STATES,  
March 8, 2022 /EINPresswire.com/ --

[Motivational Intelligence](#) (MQ) has rapidly emerged as our most advanced understanding of why we, as human beings, act and react the way that we do. Motivational Intelligence has proven to be the critical difference between those who succeed and those who struggle. The research supporting the influence of Motivational Intelligence has already won a Nobel prize and been called one of the most significant scientific advancements of the 21st century.

“

2logical is proud to be named the world's leader in Motivational Intelligence-based Leadership Training Systems.”

*David Naylor*

“[2logical](#) is proud to be the pioneer and world's leader in Motivational Intelligence based training systems. With special thanks to our clients and partners throughout the world, this is 2logical's third consecutive year to receive this prestigious designation. We are both humbled and thankful for this World Wide Recognition” - states Joe Gianni, 2logical's CEO/President.

2logical's training solutions are fueled by the most cutting-

edge insights in neuroscience, cognitive psychology and 30+ years of unprecedented client results. Focusing on easy-to-use tools and techniques, 2logical teaches leaders how to increase the Motivational Intelligence of their teams to deliver improvements in employee mental health, performance, engagement and retention.

## About 2logical
