About Blue Water Film Festival

The Blue Water Film Festival, held June 2-8 in beautiful San Diego, brings together world-class cinema, emerging filmmakers, industry veterans, and audiences from around the world to celebrate environmental films with thought-provoking stories. The theme of the Blue Water Film Festival is about our “Big Blue Planet”; the festival's purpose is to encourage attendees to think broadly about how climate change affects planet Earth and deeply about the universal concerns and actions needed to bring us into balance. Roughly 50% of all film selections are non-US productions, helping to fulfill the festival mission of promoting cross-cultural understanding through film. The Blue Water Film Festival is fiscally sponsored by The Film Collaborative, a 501c3 non-profit organization. Visit www.BlueWaterFilmFestival.org for more information or connect on Facebook, Instagram, and Twitter.

2022 Blue Water Film Festival Sponsors include Dell Technology, FilmIcPro, Filmocracy, LumaTouch, Riviera Towel, and more.
