“

Cameron brings an unparalleled level of expertise to the Black Diamond's Center of Excellence. His perspective and experience are a welcome addition to the team.”

Randy Werder, CEO

announces its continued expansion adding a new Director to its Global Advisory team in Philadelphia. Black Diamond Advisory is the leading Global Digital Finance Transformation firm and OneStream Diamond Partner.

Client demands for the expansion of Global Advisory services prompted this latest strategic move by Black Diamond, the firm built to transform companies by creating an industry powerhouse of top talent from the most respected leaders in OneStream technology, together with consulting leaders in digital finance transformation.

The Global Advisory team brings together individuals with extensive OneStream cross-market sector experience and a proven track-record of delivering successful large-scale OneStream projects.

Cameron Lackpour joins the Black Diamond team as Director, Center of Excellence. His 30-year Performance Management career started with Comshare's mainframe products, Arbor's Essbase, Hyperion's Planning, and OneStream's OneStream XF. Cameron was the editor in chief of the Developing Essbase Applications books, co-author of the recently released OneStream Planning: The Why, How, and When, has spoken internationally on Performance Management, presented at numerous technical conferences, and is an Oracle ACE Director Alumni. Cameron runs a technical blog, <https://www.thetruthaboutcpm.com>, and is cohost of the Epmconversations podcast, which cover Performance Management in its many facets.

“Cameron brings an unparalleled level of expertise to the Black Diamond's Center of Excellence. We look forward to the contributions he will make not only to Black Diamond but across the

OneStream ecosystem. His perspective and experience are a welcome addition to the team" says Randy Werder, Black Diamond CEO.
