

# ZE PowerGroup Bags the Data Management Software of the Year Award at the 6th Annual Canadian Business Awards

*The Global Data Management Leader is Ecstatic to Be Recognized for its Momentous Growth Second Year in a Row*

RICHMOND, BRITISH COLUMBIA, CANADA, March 10, 2022

/EINPresswire.com/ -- [ZE](#) PowerGroup Inc., (ZE) has been honoured for its achievements in the 2022 Canadian Business Awards by [Corporate Vision Magazine](#). The company is thrilled to have received the Data Management Software of the Year award for 2022 as a global leader in [end-to-end data management and analytics](#) technology.

"AT ZE, we work tirelessly to meet our clients' needs and maximize their investments with innovative, end-to-end global data management solutions. It's an honour to be recognized with this award yet again. We'll continue to lead by example in this competitive field, delivering world-class management services to clients worldwide. We are grateful to the Corporate Vision team for acknowledging our contributions," says Aiman El-Ramly, Chief Business Officer, ZE PowerGroup.

The Canadian Business Awards were introduced six years ago to acknowledge the efforts of businesses and individuals striving above and beyond in their particular industries and contributing to the country's economy. The Corporate Vision team diligently identifies forward-thinking enterprises and business leaders as nominees for various award categories. External nominations are also welcomed for greater inclusivity. A dedicated research team then assesses the supply materials submitted by the nominees while evaluating each entry based on innovation, client dedication, business growth, longevity, customer feedback, online reputation, and business performance. This systematic process ensures all winners are highly deserving of the awards.
