

Veracity \$VRA Lists on Tier-1 Cryptocurrency Exchange Crypto.com

LONDON, UNITED KINGDOM, March 9, 2022 /EINPresswire.com/ -- London, 9th March - [Veracity](#) is pleased to announce that its native ecosystem token, \$VRA, is now listed on one of the leading cryptocurrency exchanges, Crypto.com. With this listing, \$VRA is now traded on five of the top 10

Veracity

cryptocurrency exchanges worldwide according to CoinGecko; including Crypto.com, Huobi, OKX, KuCoin, and Gate.io—representing a combined daily trading volume of some \$13 billion.

One of the world's largest cryptocurrency exchanges by both trading volume and users, Crypto.com have developed a hugely popular cryptocurrency exchange app based in Singapore. Founded in 2016, the Crypto.com app has over 10 million users at the time of writing.

Crypto.com provides direct fiat off-ramps for users worldwide, through their exclusive crypto-enabled Visa debit cards, providing an avenue for \$VRA holders to use their funds for real-world purchases. This represents one of the first times that \$VRA can be used in real-world transactions through a crypto-enabled debit card.

R J Mark, CEO of Veracity, says:

“Once again, we prove that we are relentlessly pursuing real-world adoption for \$VRA and integration with the leading exchanges and service providers in the blockchain industry. We are pleased to have passed Crypto.com’s exacting due diligence standards, and we are looking forward to welcoming a new wave of \$VRA supporters who join us from the Crypto.com community”

The listing comes just weeks after Veracity announced that it had secured exclusive broadcast rights to the Axie Infinity GalAxie Cup 2022, hosting the tournament for the second year in a row.
